## DHA

Drive-through National Screening Centres for COVID-19 are available across all emirates. Download the SEHA app or call the Estijaba helpline at 8001717 to book a screening appointment for COVID-19 from anywhere in the UAE. Location and time of the screening will be confirmed to you through a text message. Test is free of charge for those suspected to have contracted the virus and for vulnerable groups. Others would be charged AED 370 per person.

Residents can also book appointments for Covid-19 PCR test at the following malls in Dubai: Mall of the Emirates, City Centre Mirdif and City Centre Deira. The PCR testing stations are open seven days a week from 11am to 6pm with prior appointment. Appointments can be booked by calling the DHA toll-free number 800DHA (800342).
